Praia de Mira Dunes PreO Sprint

The POM 2026 PreO will not only test your technical capabilities, but also your speed! Join our PreO Sprint and let's see how fast and precise you are.

Terrain: area of intricate dunes, with several vegetation and contour details. Race will take place along a wood walkway.

Praia de Mira / Elite Sprint

First ever "Elite Sprint" at a Portugal "O" Meeting. We want to gather all POM participants in Praia de Mira to follow the Elite competition. Non-Elite classes will run the sprint after Elite.

Terrain: Super technical Sprint area, with many narrow passages between buildings.

Mira-Villas / Night Sprint

Portugal "O" Meeting always offers a Night Sprint and in 2026 Mira-Villas will host this event.

Terrain: an interesting mix of urban areas and forest. Don't expect to be running on hard surface all the time! We will try to make this Sprint as varied as possible.

Mira Norte / Forest Stages

POM 2026 forest stages will be held in Mira Norte map. We've redrawn the old map and extended it from 6km2 to 25km2!

Terrain: typical sand dunes terrain, with areas of intricate contours and vegetation details. Pine tree forest with very good runnability & soft ground.

Classes, Courses and Entries

CHASING START FOR ALL COMPETITION CLASSES in the last day (based on the previously 3 forest stages).

Start times adjusted by clubs (athlete from the same Club start within 90').

BEGINNER CLASSES T10, W12 & M12 are non competitive and have free start times.

ELITE CLASSES SPLIT: if entries go over 90, we will split Elite classes in two. Division based on the IOF World Ranking.

OTHER CLASSES SPLIT: classes with more than 90 entries will be split in two (very likely in M45, M50, M55, M60, M65 & M70). Division will be based on entry date. Example: first 90 entries will run in M55-1 and the remaining in M55-2.

OPEN CLASSES: free start times. You can go alone or in groups, without gender or age restriction.
